

Defense Intelligence MSRR

**Deborah R. Harvey
drharve@ngic.osis.gov
(804) 980-7735
DSN 934-7735**

Role of Defense Intelligence MSRR Node

- **Provide timely, authoritative intelligence including unit order of battle, weapons characteristics and performance, targets and facilities, tactics and doctrine, etc.**
- **Serve as gateway to authoritative intelligence data sources**
- **Provide coherent means of distributing intelligence to M&S user community**
- **Maximize the electronic transfer of intelligence resources directly to M&S customers**

Current Status

- **Online January 1999**
- **Resources**
 - **MIDB - Order of Battle Data**
 - **NGIC resources**
 - **FORCEGEN - Current and Future Ground Unit Order of Battle Data**
 - **SPIRIT - Ground Systems Characteristics and Performance Data**

NAVIGATION

- **REQUIREMENT**
 - **One-time login by user allows for navigation throughout Defense Intelligence MSRR**
- **ANSWER**
 - **A&A Software?**
 - **Participation in TST for evaluation of A&A Software using NGIC/DIA connection as test case**

SUMMARY

- **Defense Intelligence MSRR online**
- **Aggressively Identifying and Adding Resources and Contributors**
 - **Resource Registration Process Outlined**
- **Integrating Resources to Provide Common Look and Feel, Common Tool Sets, etc.**
- **Require Seamless Navigation among Intelligence Centers to Successfully Accomplish Goals**
